

## STRENGTH & DURABILITY, REFINED

The last thing anyone needs to worry about during that special occasion is the security and appearance of their Tents. Ancra Event Tent Tie-Downs are built with this purpose in mind. Made with white, heavy duty, latex coated polyester webbing and silver chromate coated hardware, these tie-downs provide optimal strength and durability while blending seamlessly with their surroundings. And, with a variety of lengths and styles available, we're certain to have a reliable and cost-effective product to do the job. Trust Ancra Event Tent Tie-Downs to make those special occasions a little more special!
