

EASY APPLICATION FOR TOUGH JOBS

Retractable Ratchet tie-downs are constructed from top of the line materials to secure all types of cargo while keeping excess webbing organized and out of the way. Strong torsion springs ensure a smooth and complete retraction every time while providing the holding power and precise tension adjustment you expect from a traditional tie down.

Features:

- Built-in power spring automatically retracts webbing for storage
- No feeding straps, no tying off ends or removing webbing from ratchet
- Straps are fully self-contained with no extraneous parts
- Strong handles with gear spring design
- Coated or Stainless Steel Hooks w/ Safety Clip

6FT x 500 lbs (227 kgs)

• Push Button Control

95370

2 Pack

4FT x 550 lbs (249 kgs)

STAINLESS STEEL

- Bolt-On Style
- For Boat Trailers, Utility Trailers and Ladder Racks
- Mounting Hardware Included
