

## STRONGEST IN THE INDUSTRY!

**Ancra winches comply with DOT, WST-DA-T3 and Canadian Standard 905 regulations. Available in different base configurations to suit a variety of needs and load requirements.**

*All winches shown are right hand models. Left hand models may be available on special orders.*

- Powder coating withstands 250 hours of standard salt spray testing to ensure years of service
- Stamped working load limit and Ancra name certify quality
- High-strength alloy pawl pins
- Seamless solid steel mandrel
- Smooth ground web slots prevent web wear

## Winches

**49716-10** | Porta Winch - Outward Offset
